Liberty Tax Service Teams up with Valentines for Troops: *Heartfelt Greetings Sought for U.S. Military All Over The World*

(Virginia Beach, VA) Send a smile across the miles with a handmade valentine and a call home to our troops. Liberty Tax Service (www.libertytax.com) has again partnered with **Valentines for Troops/A Million Thanks** of southern California to collect valentines for our troops stationed across the globe. All Liberty Tax Service offices are also collection sites for used cell phones that are recycled to provide phone calling cards for soldiers through **Cell Phones for Soldiers** (www.cellphonesforsoldiers.com).

Liberty Tax Service invites individuals, businesses, and school and church groups to create old-fashioned handmade valentines, and write a handwritten thank-you note too. Mailing regulations prohibit the use of glitter on cards mailed to our military. Take the valentines to Liberty Tax Service offices before February 5th. Interested organizations or persons can call the local Liberty office at (Phone) for more information on how to get involved. Valentines can be dropped off at the Liberty Tax Service office at (Address).

A used cell phone donation is welcome too at Liberty Tax Service. Since 2004, the company has been supporting **Cell Phones for Soldiers** (www.cellphonesforsoldiers.com), an organization also started by teenagers wanting to make a difference for U.S. soldiers. As part of the **Valentines For Troops and Cell Phones for Soldiers** initiatives, Liberty Tax Service offices are working to quickly collect more used cell phones, iPods and toner cartridges for recycling, which allows the organization to provide long distance calling cards for soldiers in time for Valentines Day. Liberty offices have provided over 12 million minutes of calling time for our troops.

Shauna Fleming, the eighteen-year old founder of **Valentines for Troops/A Million Thanks**, said she is excited to have Liberty Tax Service involved again this year with the campaign.

“I appreciate Liberty Tax for their help in gathering community support for this project and getting the Valentines in the hands of those in the military. Without our brave men and women, our country would not remain as free as it is today,” said Fleming.
