Most Overlooked Tax Deductions

No one looks forward to paying taxes, but unintentionally overpaying for taxes is just painful. To help you avoid paying more income tax than you should, Liberty Tax Service® is giving you a list of the most overlooked IRS tax deductions that individuals may qualify for.

But please keep in mind that individual circumstances always come into play when filing your federal tax return. For some of these deductions, there is a threshold, and for some you will need to itemize. Find an office near you for assistance in reducing your tax liability as much as possible.
